

Highly recommended whiskies from our selection:

Hotel Bero Founder selection #1

Blended malt 46,7% 80 bottles

A blended malt whisky from 3 barrels, of which the eldest dates from the 70s and the other two of the 80s and 90s. A must have-tasted in our bar; old style whisky with a full creamy and sweet aftertaste. The sherry barrels in which this whisky has aged succeeds in the taste of the whisky.

Ardbeg 10 46%

The basis single malt of Ardbeg on the island Islay, especially for peat freaks. Citrus, medicinal-like flavour with a lot of peat in the aftertaste.

Laphroaig 10Y

Powerful peat whisky with an ashy flavour. You hate it or you love it; no compromise possible.

Lagavulin 16Y

The classic of all Islay whiskies. Very approachable sweet and smoky whisky with less peat flavour than the previous two. This is one of our favourites for already many years.

Bunnahabhain 12y

Approachable Islay whisky, sweet dark sherry flavour with a light peat taste. A winner!

Kilchoman

The youngest distillery on Islay, one to follow! Makes heavy peat flavoured whisky.

Springbank 10y

Distillery ran by a family on the peninsula Campbeltown that serves real quality. The 10y is a whisky with fruity and floral tones with a long aftertaste.

Oban 14

Delicious appetiser whisky from the west coast of Scotland. A whisky for starters, very approachable. Flavours of caramel, fruit and candy.

The Balvenie

An all-rounder from the Speyside. Fruity whisky with tones of burned nuts, apples and berries with a little aromatic aftertaste.

Clynelish 14Y

Made in the small city of Brora at the east coast of Scotland. A honeysweet whisky, with flavours of liquorice and fruit.

Passionate about hospitality
